Evaluation, comments, recommendations of the thesis advisor:

Claudia Benková has been throughout the process of the Thesis's preparation very strongly engaged and interested in the chosen topic, considering all aspects of the state of play and ways how to strengthen the position of women not only in diplomacy, but generally in the public life in the Slovak Republic. She always came with some innovative approaches whom to reach out to learn more. Well selected topic, outlining some practical recommendations how to improve situation in Slovakia, also sharing some good examples and practice from other countries.

I recommend – ~~do not recommend~~ this thesis toward bachelor thesis defense in June 2024.
